1.Index/Input Form Page

The screenshot displays the 'Smart Lender' Loan Approval Prediction System input form. The form is titled 'Smart Lender' with a house icon and the subtitle 'Loan Approval Prediction System'. It is divided into three main sections: 'Personal Profile', 'Financial Status', and 'Loan Request Details'. The 'Personal Profile' section includes dropdown menus for Gender (Select), Marital Status (Select), Dependents (0), Education (Graduate), and Self Employed (No). The 'Financial Status' section includes text input fields for Applicant Income (\$) and Co-applicant Income (\$), and a dropdown for Credit History (Good (1)). The 'Loan Request Details' section includes text input fields for Loan Amount (in Thousands) and Loan Term (in Days), and a dropdown for Property Area (Rural). A blue button at the bottom is labeled 'Predict Loan Status'.

Smart Lender
Loan Approval Prediction System

Personal Profile

Gender: Select
Marital Status: Select
Dependents: 0
